Re: Product Design Coursework Deadline

Dear parent / carer

Following the sixth form parents evening before half term, we would like to confirm the details regarding the Product Design coursework.

The coursework consists of a portfolio of project work, a sketchbook and a practical outcome. The deadline is Friday 7th April 2017 at 3:30pm. The coursework is worth 60% of the overall grade and it is important that all work is completed by this date. This will enable all sections of the work to be marked in detail before submitting grades to the WJEC exam board prior to moderation. The following items must be submitted:

- Folder(s) of portfolio work
- Sketch book(s)
- 3D models including any mock-ups and prototypes
- The completed product

Just a reminder that there are on-going opportunities for your child to attend additional support session afterschool every Tuesday, Thursday and Friday from 3:15 to 4:30pm. These sessions allow access to the workshops, computer suites and quiet work areas.

If you have any questions, please do not hesitate to contact us.

Thank you for your continued support.
