

Transition Plan - 2017

Changes

Philosophy: Using the 950 Chepstow Community celebrations our theme this year will incorporate art, literature and STEM activities associated with the occasion. This will ensure that we are participating in a widespread whole community project as well as continuing to develop our school vision based on respect, challenge and encouraging inclusivity. The golden thread that will weave through this year's theme is David Bowie, a music icon that embodies our school vision perfectly. Our Year 6 students will celebrate the changes from primary through to secondary by celebrating the changes that have shaped our world historically and artistically.
