

January 2022

Welcome from the PTA

The New Chepstow School PTA was officially formed in June 2021. We are a small team of a dozen parents and staff who have had a few months getting to know each other, mostly over Teams. We've been sharing ideas of how to raise funds and what we want the PTA to be. We feel it is to be not only be a fundraiser for the school but also to bring a greater community spirit into the school, to help forge connections between parents and the school. We chose a remarkably difficult time to launch but it hasn't dented our enthusiasm, only our ability to get together and host events

Meet the team:

Helen Steele (Daughter in year 8)
 Sarita Thomas (Daughter in year 8 and year 12)
 Shanta Miller (Head of Year 7)
 Virginia Lyall (Daughter in year 8)

Co-Chair helensteele@chepstowpta.net
 Co-Chair Saritathomas@chepstowpta.net
 Secretary Shantamiller@chepstowpta.net
 Treasurer Virginiailyall@chepstowpta.net

Our achievements to date

Our first event was a small stall at the Chepstow Fireworks held on the school field.

We had some early success with our Christmas tree sales and we thank all the families that took part and purchased from our local supplier.

We have an account with [easy fundraising](#), which really is just that....easy. [Sign up here](#) and from your online purchases the retailer will give a small percentage to the school with no additional charges or admin for you.

PTA at the Fireworks event Nov 2021

WE NEED YOU!

We are always looking for people to join us on our team. That can be in any capacity that suits you. Be that to pop along and say hello at a meeting or two, or to share your experiences and inspiration on how you and your talents/connections/company/employer can help the school, just help for an hour or two at (fingers crossed) events, or to join our mailing list or to help grow our actual committee.
