Where do funds go?

Our funds so far have supported the school with their sensory garden, a green house, composting bins and recycling bins.

The Girls Coding Team, “The Lovelace ladies”, will be purchasing robotics equipment to support their learning and enjoyment of the topic.

Funding requests are welcomed from students and staff and should be sent to the PTA secretary.

How you can help:

Fundraising is a little difficult at this particular time, whilst we’re unable to hold events in person. The school is now registered with [easyfundraising](#), so you can raise FREE donations for us when you do your everyday online shopping. All you have to do is find the retailer you want to shop with on the easyfundraising website or App, shop as usual and the retailer will donate to us when you make a purchase – at no extra cost to you!
