

Chepstow School's Sixth Form Soar to Success – 95% secure first choice university places

Chepstow School's Sixth Form students are celebrating an exceptional summer of achievement, with 95% progressing to their first-choice universities following excellent A Level and vocational results.

Students have excelled across a diverse range of subjects, from STEM (including Maths, Biology and Chemistry) to the Arts and Humanities, reflecting the school's commitment to academic excellence and personal growth.

Dynamic duo Will and Charlotte Edwards, our superstar twins, achieved a remarkable combined total of seven A*/A grades and one B. Charlotte will now read Psychology at the University of Bath, while Will begins a Medicine degree at Exeter University.

Ethan Bennett celebrated an outstanding clean sweep of three A*s in Biology, Psychology, and Maths, securing a place to study Psychology at Cardiff University.

STEM subjects shone brightly this year. Lauren Tuck achieved an exceptional two A*s and two As in Maths, Biology, Product Design, and Skills Challenge, and will continue with Mathematics at the University of Exeter. Ed Harris gained an A* in Maths alongside two As in Physics and Geography, and is set to study Aerospace Engineering at Sheffield. Charlotte Pitt achieved one A* and two As in Maths, Biology, and Chemistry, and will also study Medicine at Cardiff University.

In the Arts, Humanities, and Skills Challenge, students also excelled. Alice Thomas achieved two A*s and an A in Media Studies, Psychology, and Skills Challenge, and will go on to study Midwifery at Cardiff. Tamsin Edwards secured two A*, an A, and a B in Psychology, English, Skills Challenge, and History, and will read Law at Birmingham. Sophie Pryor achieved an A* and two As in History, Psychology and Skills Challenge, and will progress to a Psychology degree.

Jasmine Chadd and Freya McGowan each achieved an A*, an A, and a B in Criminology, Psychology, and Skills Challenge, leading to future studies in Nursing and Psychology respectively. Florence Dadswell-Jones earned one A*, an A, and a B in Media, Photography, and Skills Challenge, and is pursuing Fashion and Brand Management at Cardiff Met.

Engineering pathways are secured for James Roberts, Joe Beynon, William Griffiths-Burdon and Joe Cliff, who all achieved a strong set of A level grades.

Headteacher Kelly Waythe added:

'Huge congratulations to all our students collecting their results today. These achievements are the result of years of hard work, dedication, and the unwavering support of our staff and families. We look forward to seeing each and every one of you thrive as you take your next step towards your ambitions.'

Keith Dunn, OBE, Chair of Governors said 'On behalf of the Governing Body as a whole, we send our congratulations on the news of our excellent results for our young people today. Their hard work and their positivity have been recognised in their academic achievements.'

He added 'I take this opportunity to record our thanks to our staff and parents, who are always there to collectively support and encourage our incredible young people.'
