Autumn Term 2025

Welcome to our new parents

Hello and a very warm welcome to all our new families who are considering joining Chepstow School in Sept 2026! We're excited to have you with us and can't wait to get to know both you and your children as part of our wonderful school community.

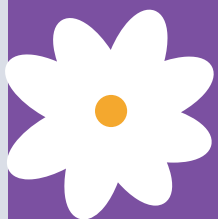

Who we are

The PTA (Parent Teacher Association) is a friendly group of parents and staff who work together to support the school. Each year we help organise events and raise over £6,000, which goes directly towards projects and resources that enrich the learning experience for all students.

A Look Back to the Summer

Last June we had a fantastic afternoon of "Beats and Eats" on the school field. Families enjoyed a Hog Roast and hot dogs while listening to music from local band Stolen Aces, along with brilliant performances from some of our very own talented students. It was a joyful day of food, fun, and community spirit!

How We've Made a Difference

Thanks to our parents and community support, recent PTA funding has helped provide:

- Coding equipment for the Coding Club - A large events gazebo
- New sports kit for the PE department - Upgraded cooking equipment in Food Tech
- New examination desks - Digital SLR cameras
- Geography field trip resources - Chess sets and outdoor benches
- A stock of uniform items for vulnerable students
- ...and plenty more!

Each contribution really does make a difference, helping to ensure every student has access to enriching opportunities and resources.
